# INVITATION

**Dear Colleague,**

Welcome to the 57th SATS and 28th SCANSECT Congress in Copenhagen, 21-23 August, 2008.

Our annual Scandinavian meeting has for many years provided a unique forum for thoracic and heart surgeons, perfusionists and lately cardiothoracic nurses to exchange experiences, knowledge and to establish personal relationships for creative collaboration. It is, therefore, a pleasure for us to invite you for a few days to Copenhagen, where we will try to make this meeting to a hopefully memorable event from a scientific, social and cultural point of view.

On behalf of the organising committee

*Daniel A. Steinbrüchel*

## CONGRESS VENUE

The congress will take place at the School of Architecture and Design, Copenhagen University, which is part a former military/naval area recently rebuilt and used for cultural and educational purposes, located in the middle of Copenhagen harbour in close vicinity to the new Opera House. The School of Architecture and Design is easily accessible by a harbour taxi (public transportation across the harbour) from the city centre (Nyhavn) and hotel locations.

**In order to be included in our mailing list and receive further information please access our website [www.scandinavian-ats.org](http://www.scandinavian-ats.org) and submit your details.**
