

CALL FOR PAPERS

You are kindly invited to submit abstracts describing research work that you wish to present at the congress, either orally or as a poster.

All abstracts will be evaluated. Accepted abstracts will be published in the Abstract Book.

GUIDELINES FOR SUBMISSION OF ABSTRACTS

Abstracts must be submitted no later than 5 May 2008

Abstracts can only be submitted on-line or per e-mail to abstracts@ics.dk

Please read the following guidelines carefully before submitting your abstract on-line by clicking here: <https://www.ics-online.com/ei/getdemo.ei?id=357&s= 5XK0LYAGH>

The Scientific Committee will review all abstracts, and notification will be given by 3 June 2008.

1. Authors presenting abstracts must register immediately after hearing their abstract has been accepted.
2. Abstracts must be submitted in English and on the Internet at any of the above web sites.
3. Titles should be entered in the "Title Field" (not as part of the abstract) and should contain no more than 20 words or 70 characters including space.
4. Please remember to select a keyword.
5. Abstract text should be entered in the "Abstract Text Field" and should contain no more than 250 words. The system will not allow you to enter more than 250 words.
6. Any tables, graphs or diagrams should be e-mailed to abstracts@ics.dk
7. Authors' names and institutions should be entered in the appropriate fields. The following data is needed for the "Institution Field" – Name of the Institution, Department, City and Country.
8. The abstract should be informative, containing: a) a statement of the study's objectives; b) a brief statement of methods if relevant; c) a summary of the results obtained and d) a statement of the conclusions reached.
9. Please avoid references. However, if references are used, they should be included in the abstract texts as: authors, journal, year, volume, and pages.
10. Single space all text and do not leave blank lines. Use standard abbreviations. Place a special or unusual abbreviation in parenthesis after the full word the first time it appears. Use generic names of drugs and write numbers as numerals rather than words.

Abstracts, which do not conform to the above guidelines, will not be accepted.
